NOW SEE THIS APPLIANCE IN

Using your smart phone or tablet you'll be able to explore selected LG appliances in 3D virtual reality. Simply scan the QR code below, or visit www.lowestflyer.ca on your iOS® or Android® device with camera to download the special Lowe's 3D app. Once loaded into your device look for the LG appliances with the 3D symbol, activate the app, point your camera at the flyer page and enjoy the interactive virtual reality experience.

With your mobile device, follow these 3 simple steps:

1. Scan the QR code or visit lowestflyer.ca
2. Select your device & install
3. Launch the application
